Effective Date: 11.5.2025

DEPO-PROVERA ORDERS

Students who have received Depo-Provera in the past and wish to have The Student Health Centre UW-Stout administer the injection will need to have their healthcare provider complete the following information:

Provider order: An order is required for the medication to be administered at The Student Health Centre. Please provide the following information:

Patient Name: _____ Date of Birth _____

Medication Name	
Dose	
Route	
Frequency	
Expiration date	
Specific instructions regarding out of window (11-13) weeks administration.	

Documentation of last injection:

Providers office, please provide date of last depo provera injection _____

Due for follow up _____

Prescription: If medication is to be dispensed by our office, please be advised that there will be a charge; our office does not bill insurance. As an alternative, the provider can send a prescription to the pharmacy and the patient can bring that in for administration. We do not charge an administration fee for our nurses to administer this medication.

Physician Name: _____

Physician Signature: _____ Date: _____
